*4th (E4) - Multiplier Event*

## **INCREASING SYNERGIES ACROSS BUSINESS, ENGINEERING AND ENTREPRENEURSHIP EDUCATION THROUGH A COMMON FRAMEWORK OF INTERCULTURAL BEST PRACTICES IN SCL**

*13 March 2019 (possible to postpone due to Covid 19)*

*Maria Curie-Sklodowska University in Lublin, Poland*

### **INVITATION**

We are delighted to invite businesses, civil society and adult education sectors, students, academics, teachers, to take part to the event " *Increasing synergies across business, engineering and entrepreneurship education through a common framework of intercultural best practices in scl* ", organized through the ERASMUS+ project 2017-1-RO01-KA203-037145 - „*Innovative Student-Centred Learning (SCL) Practices fuelled with ITC-tools and university – industry cooperation towards reinforcement of Business & Engineering Entrepreneurships education – "InoLearn 4 BEEs"*”.

The 4<sup>th</sup> multiplier event, organized by the *Maria Curie-Sklodowska University in Lublin*, Lublin-Poland targets to fertilize the Poland business, education, labour market and society sectors with cross-disciplinary views on the strategic role of universities for value creation to today's society challenges. aims to spread out the exchanges of good practices and maximize knowledge co-creation in innovative teaching and learning practices deliver by the cooperation framework within the project.

It envisages multiplying the personalized learning methodologies and customized pedagogical tools embedded in the Best Practices Handbook for intercultural SCL (O4) arisen from multicultural and interdisciplinary cooperation between BEE education and numerous industries stakeholders.

Added value: improved availability of the O4/ Best Practices Handbook and better multiplied of strengths of SCL practices in BEE education through face-to-face and digital personalized learning experiences and core processes roadmap with streamlined processes for formal and informal activities with students.

Expected results: are quantified on direct positive effect on target group.

The event will take place on Maria Curie-Sklodowska University in Lublin, **13 March 2020**, between **10.00 - 17.00** in the Lublin-Poland.
